The draft may be approved subject to the following:-

(i) Para 9, 4(ii). The Government of India Act and the Devolution Rules. The latter rules though not much in volume are highly technical. Even the Government of India Act is a fairly technical subject for a young man just out from College. Perhaps the Montagu-Chelmsford Report with the Government of India Act (if necessary) may be prescribed.

(ii) Para 13. The number as approved by His Highness is two and this may be inserted. Whether an addition may be made about the selection of one more candidate for a non-Civil Service post in the Account or Police Department is for orders. On 23rd Novr. 1923 the Dewan ^{advised} said that it was not necessary then to notify the selection of the third man as Probationer.

(iii) Para 13 and 14. As the Mysore Civil Service rules are undergoing revision, perhaps it would be more convenient to modify these paras as follows:-

Para 13. Not less than two persons will be selected in order of merit from the list of successful candidates and admitted on probation to the Mysore Civil Service as Probationary Assistant Commissioners. The period of probation shall be for a term of two years. During this period they shall pass:- (i) an examination in equitation, (ii) departmental service examinations according to rules in force for the time being, and (iii) such of them as have not taken Kannada as their optional language in a University or

other recognised public examination, an examination in that language according to the prescribed standard. A Probationary Assistant Commissioner failing to pass the above tests by the end of two years of probation ~~they~~ may be allowed a further year's grace. Failing to pass in the third year, his name will be removed from the list of Probationers. ¶ During this period the Probationers will also be trained in office work and other duties as far as may be practicable and will also receive training in Treasury Work, Revenue Survey and Elementary Engineering.

and going through the practical course with credit,

Para 14. On becoming fully qualified by passing all the prescribed examinations, a Probationary Assistant Commissioner will be appointed an Assistant Commissioner on a salary of Rs.250 per mensem rising by annual increments of Rs.25 up to Rs.450. Promotions to higher appointments in the State will be according to vacancies and by selection on the ground of merit, and will be regulated by the Mysore Civil Service Rules for the time being in force. ¶ The date proposed for the examination, viz., 20th October 1924 and subsequent days may be approved.

(i)
Two new subjects have added, viz., Sanskrit, Vedic studies and Sanskrit Darsanās, and (ii) Persian language and Literature and Translation. These correspond to optional groups for the B.A. course in the Mysore University. Each candidate has to take not less than two optional subjects and as there are three optionals in Sanskrit, it will be seen that a candidate may take two Sanskrit optionals only and possess

no knowledge in other subjects, such as, History, Philosophy, Economics, Mathematics and Science. This is rather a defect in the scheme, but it cannot apparently be helped as the subjects prescribed must follow the courses prescribed in the Mysore University.

The draft notification was considered in Council on the previous occasion, but as orders of His Highness have been already obtained on the main question as to the number of candidates to be admitted, it does not appear to be necessary to treat this as a Council matter.

A meeting of the Board to prepare the draft notification has been fixed for the 1st of March next. I am sorry it had to be delayed a little as earlier dates which suited me did not suit the Vice-Chancellor and vice versa. I hope to be able to send you a copy of the revised notification on the 2nd or 3rd March so that it can be published in the next few ^{days} ~~issues~~. I find that for the examination of 1919 the notification was issued on 14th March and for this year I hope we shall not be late in issuing it.

Yours sincerely,

OFFICE OF THE INSPECTOR GENERAL OF
EDUCATION IN MYSORE.

Bangalore, Dated 1st/2nd March 1924.

From

C.S. Balasundaram Iyer, Esq., B.A.,
Inspector General of Education in Mysore. and
Secretary, Mysore Civil Service Examination.

To

K. Matthan, Esq., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

With reference to Government Order No. 2581-2/C.B. 116-23-10 dated 25th January 1924 appointing a committee for the Mysore Civil Service Examination of 1924 and calling for a draft notification for the examination in October 1924, I have the honor to state that the committee held its first meeting this morning and considered the draft of the notification. The draft is forwarded herewith for favour of approval and publication at an early date.

I may briefly explain the changes made in the notification as prepared ^{compared} with the one issued for the examination of 1919.

As desired by Government, the examination is fixed for 20th October 1924 as compared with 17th November 1919, and the dates for the various preliminary steps such as receipt of applications, approval of candidates etc., have been suitably fixed.

The scheme of examinations under rule 9 and the text books to be prescribed under subjects 3 and 4 have been indicated.

Under subject 14 English Language and Literature, the scope of the subject has been defined so as to comprise one paper on English Language a general survey - and another paper on English Literature pertaining to a selected period - the period selected this year is from 1792 to

1832, and the candidates will be expected to show a first hand acquaintance with certain books of that period. (I am expecting a list of the books referred to from Rev. W. Weston in a day or two, and the list may be included before the notification is finally approved and printed).

Between subjects 15 and 16 of the notification of 1919; two other subjects have been included, namely Sanskrit, Vedic studies and Sanskrit Darsanas - These subjects correspond to the optional groups for the B.A. course in the Mysore University. Similarly another subject - Persian Language and Literature and Translation - has also been added. And these subjects are re-numbered.

In paragraph 13, the number of persons to be selected in order of merit out of the successful candidates has to be filled in, and this I leave it to Government to do before finally - - approving of the notification.

I request that the notification may be approved and published in three or four successive issues of the Gazette. The Superintendent, Government Press may be kindly instructed to send me the final proof for examination before the final print order is given. *About 250 spare copies may be sent to me for distribution to applicants & for purposes of reference & read.*

I also request that about 250 spare copies of Appendix A (Form of application) and about 250 copies of Appendix B (Form of certificate of Physical fitness) which are appended to the notification of 1919 may be printed on separate sheets and sent to me for distribution to intending candidates.

I have also to request that about 250 copies of the Mysore Civil Service rules now in force may be reprinted and sent to me for transmission to the applicants under rule 14 of the notification.

I have the honor to be,
Sir,
Your most obedient servant,

B. Balasubramanian
SECRETARY,

Mysore Civil Service Examination.

My dear Balasundaram Iyer,

In regard to the draft notification relating to the next Mysore Civil Service Examination, forwarded with your letter of the 2nd instant, the Government are disposed to think that no candidate should be permitted to bring up two Sanskrit groups as optionals and that if Sanskrit is taken as one group the other group to be taken should be some other subject such as - History, Economics, Philosophy, Mathematics Science etc. Please let me have your views on this subject and also a revised draft on this basis. I am aware that the draft as now sent up is in accordance with the optional groups for the B.A. course.

Yours sincerely,

My dear Matthan,

With refce to your letter
Do no. 2986/css of 8th Inst, I find from the
Mysore Univ^{ty} Calendar that - a student can
take 2 of the Sanskrit groups for the B.A., & that
in 1923, 2 took their degrees in such a combination
of subjects & that there are ^{similar} 5 students in the final
year class some of whom may have this year. In the
same way there may be some more who have taken
their degrees in past years. Such persons may not
be many, say not exceeding a dozen.

Personally I am inclined to agree
with the view of fact indicated in your

Dear Mr. Matthan,

I have seen your letter to Mr. Balasundaram Iyer about the new groups in Sanskrit.

Yes, of course, no candidate should be allowed to offer two Sanskrit groups. That was my idea in suggesting the inclusion of two more Sanskrit groups as optional subjects. The object can be best secured by adding a footnote (at the bottom of the list of subjects) as suggested by Mr. Balasundaram Iyer :--

" a candidate will not be allowed to offer more than one optional subject from among the subjects Nos.
(Here the numbers of the three groups under Sanskrit).
